

KenolKobil has been awarded the Kenya Oil Industry Open Tender System (OTS) for single cargo delivery of 80,000 MT Murban Crude Oil in September this year. In addition, the company has been awarded delivery of 32,800 MT Gasoil (AGO) in August and 76,479 MT AGO in September this year.

The two cargos, totaling to 189,279MT, will be used to meet both the country and regional Crude and Gasoil requirements. The Crude Oil will be refined at the Kenya Petroleum Refineries Limited (KPRL).

KenolKobil won the tender through aggressive bidding at the Kenya Oil Industry OTS. The cargoes will be delivered in adherence to the international Maritime standards to ensure high levels of safety.
