

KenolKobil Limited has today been awarded the Kenya Oil Industry Crude Oil OTS Tender for delivery of two (2) Murban Crude Oil cargoes during the month of August 2011.

The two cargoes, totaling 1.2 million barrels (160,000MT) are for refining at the Kenya Petroleum Refineries Limited (KPRL) to meet requirements for the domestic market and neighboring countries.

KenolKobil won the tender on the basis of a highly competitive premium, in support of the ongoing Government efforts to lower petroleum prices in the country. The Company will deliver the crude oil cargoes in 1st Class Double Hull Vessels in adherence to the International Maritime Standards to ensure safety and safeguard the environment.
